

## Non-Exhibiting Supplier Registration

Companies who do not produce hogs and send representatives to the Iowa Pork Congress to conduct business without purchasing a booth in the company's name need to register as a Non-exhibiting supplier. The cost for this registration is \$150 and includes up to 10 name badges. Additional badges may be purchased for \$10 each. Each badge will appear with your representative's name and your company's name. Your representative will be able to pick up their badge at the exhibitor registration desk on the south end of the lobby at the tradeshow. The badges are good for both days.

By registering as a non-exhibiting supplier, your company can still get exposure at the 2010 Iowa Pork Congress without having to staff a booth. To register, fill out this form and mail it with a check for \$150 payable to the Iowa Pork Congress. Include \$10 additional for each name over 10.

Non-Exhibiting Supplier Registration
